Are You Tired of Crooked Teeth But Can't Afford Braces?

For some, according to Dr. Isakow, General Dentist, straightening their teeth with braces is outside their budget. "Some people are embarrassed by their crooked teeth but couldn't afford the high up front cost of braces," says Dr. Isakow. "That's why I'm offering affordable payment terms with low down payments to fit anyone's budget." Dr. Isakow currently offers braces as low as \$99/month, \$499 down, 0% interest.
